

MEMORANDUM OF AGREEMENT

BETWEEN

CORPORATION OF THE CITY OF GUELPH
(The City)

and

ONTARIO PUBLIC SERVICE EMPLOYEES' UNION- LOCAL 231
(The Union)

WHEREAS the City and the Union are parties to a Collective Agreement which expired on March 31, 2022;

AND WHEREAS the City and the Union have been negotiating for the renewal of the collective agreement;

NOW THEREFORE the City and the Union agree to resolve all outstanding issues as follows:

1. This Memorandum of Agreement is without prejudice to either the City or the Union until it is ratified by the membership and the council.
2. All proposals made during the process of negotiation of this Memorandum of Agreement which are not contained below are hereby withdrawn.
3. The negotiating committee of the City and the Union both agree to unanimously recommend the ratification of this Memorandum to their respective principals.
4. All adjustments to compensation are prospective in nature, unless expressly provided otherwise, and will be made no later than three (3) pay periods from the date that the last party ratifies this agreement.
5. All adjustments to salary shall be retroactive. Retroactivity for all hours worked will be paid to active and former employees from April 1, 2022 through the date of payment. Retroactive payments shall be made no later than four (4) pay periods from the date that the last party ratifies this agreement.

Handwritten signatures and initials in the bottom right corner, including a large signature that appears to be 'JP' and several other initials and names.

6. Any errors or omissions shall be mutually resolved by the parties acting reasonably with a desire to affect a final and binding collective agreement.
7. The terms of this Memorandum constitute the full settlement of all matters in dispute for the collective agreement, including grievance number 10-2020 also referred to as "OPSEU Gr. #2020-0231-0005" and any related matters associated with this grievance. The union agrees to notify council and withdraw upon date of full ratification.
8. Unless modified by the terms of this Memorandum, the terms and conditions of the collective agreement which expired on March 31, 2023, shall continue.
9. The parties agree that unless otherwise expressly specified, all terms of this Memorandum shall become effective upon the date of ratification.

The parties agree to amend the agreements as follows:

30.9 Psychological Services

Full-time Employees will be entitled to up to ~~\$2,000~~ **\$4,000** per calendar year, combined for the services of a Psychologist, Psychotherapist, Registered Social Worker and Registered Clinical Counsellor. **A full-time employee's eligible covered dependant will be entitled to up to \$2,500 per calendar year.**

2023 NEGOTIATIONS

The following language change has been agreed to, subject to final ratification of the 2023 Collective Agreement by both parties:

ARTICLE 10 - GRIEVANCE PROCEDURE

10.01 For the purposes of the Agreement, a grievance is defined as a difference arising between the parties relating to the interpretation, application, administration or alleged violation of the Agreement.

10.02 At the time any discipline is imposed or at any stage of the grievance procedure an employee shall have the right to the presence of a steward. A copy of any written discipline, given to any member **either in person or electronically delivered** will also be given to the Union at the same time.

10.03 Suspension or Discharge

In the case of suspension or discharge, the Chief Steward or President **or Union selected designate** for the Union and the Chief or Deputy Chief, and the Human Resources Advisor will be involved. The employee will be provided notice in advance of the meeting.

10.04 All agreements reached under the Grievance Procedure between the representatives of the Employer and the representatives of the Union will be final and binding upon the Employer, the Union and the employees.

10.05 Extension to Time Limits

It is the parties desire to hear and process grievances in a timely manner. The time limits outlined in the Grievance Procedure may be extended by mutual agreement of the parties, in writing. **Extension to the time limits will not be unreasonably denied.** If time limits are not met in the grievance procedure, either party may advance the grievance to the next step.

10.06 It is the mutual desire of the parties hereto that complaints of employees shall be adjusted as quickly as possible, and it is understood that an employee has no grievance until they have first given their Superintendent the opportunity of adjusting their complaint. The grievor may have the assistance of a Union steward. Such a complaint shall be discussed in person within seven (7) working days after the circumstances giving rise to it have occurred or ought reasonably to have come to the attention of the employee, and failing settlement within seven (7) working days following their immediate supervisor's decision, in the following manner and sequence:

Step No. 1

The employee, shall be accompanied by a Steward, may submit a written grievance signed by the employee to their Superintendent. The grievance shall identify the nature of the grievance and the remedy sought and must specify the provisions of the Agreement which are alleged to be violated. The Union, along with the grievor, the Superintendent and the Chief or Deputy Chief or/and Commander may meet to discuss the grievance at a time and place suitable to both parties. The Chief or Deputy Chief will deliver the decision in writing within seven (7) working days following the day on which the grievance was presented. Failing settlement or response, then:

Step No. 2

Within seven (7) working days following the receipt of the decision under Step No. 1, the grievance may be submitted in writing to the Human Resources Advisor or their designate. A meeting will then be held between the Human Resources Advisor or designate, Chief or Deputy Chief or designate and the employee accompanied by a Chief Steward, within seven (7) working days of the submission of the grievance at Step No. 2. The decision of the Employer shall be delivered in writing within seven (7) working days following the date of such meeting.

Step No. 3

(a) Failing settlement under the foregoing procedure, any grievance between the parties arising from the interpretation, application, administration or alleged violation of this Agreement, including any question as to whether a matter is arbitrable, such grievance may be submitted in writing to the Human Resources Advisor to arbitration as hereinafter provided. If no written request for arbitration is received within fourteen (14) calendar days after the decision under Step No. 2 is given, the grievance shall be deemed to have been abandoned. Where such request is postmarked within fourteen (14) calendar days after the decision under Step No. 2, it will be deemed to have been received within the time limits

(b) The parties agree that it is their intent to resolve grievances without recourse to arbitration, wherever possible. Therefore, notwithstanding (a) above, the parties may, upon mutual agreement, engage the services of a mediator or alternative dispute resolution professional in an effort to resolve the grievance and may extend the time limits for the request for arbitration. The parties will share equally the fees and expenses, if any, of the mediator.

10.07 Policy Grievance

A policy grievance is defined as a complaint or grievance arising directly between the Employer and the Union concerning the interpretation, application or alleged violation of the Agreement. It shall be presented at Step No. 2 within fourteen (14) working days following the circumstances giving rise to the complaint or grievance. It is expressly understood that the provisions of this Article may not be used with respect to a grievance directly affecting an employee where such employee could institute the regular grievance procedure.

The Employer shall have the right to lodge a grievance with the Union concerning the meaning, application or interpretation of any provision of this Agreement. The grievance shall be filed in writing with the Union at Step No. 2.

10.08 Group Grievance

Where a number of employees have identical grievances and each employee would be entitled to grieve separately, they must present a group grievance in writing identifying each employee who is grieving to the Human Resources Advisor or their designate within fourteen (14) calendar days after the circumstances giving rise to the grievance have occurred or ought reasonably to have come to the attention of the employee(s).

The grievance shall then be treated as being initiated at Step No. 2 and the applicable provisions of this article shall then apply with respect to the processing of such grievance.

10.09 Discharge Grievance

The release or discharge of an employee during the probationary period shall not be the subject of a grievance or arbitration. A claim by an employee who has completed their probationary period that they have been unjustly discharged or suspended shall be treated as a grievance if a written statement of such grievance is lodged by the employee with the Employer at Step No. 2 within seven (7) working days after the date of the discharge or suspension.

Wherever the Employer deems it necessary to suspend or discharge an employee, the Employer shall notify the Chief Steward or President of such suspension or discharge in writing. The Employer agrees that it will not suspend, discharge or otherwise discipline an employee who has completed their probationary period, without just cause.

10.10 Arbitration

When either party requests that any matter be submitted to arbitration as provided in the foregoing Article, it shall make such request in writing addressed to the other party to this Agreement.

10.11 No person may be appointed as an arbitrator who has been involved in an attempt to negotiate or settle the grievance.

10.12 No matter may be submitted to arbitration which has not been properly carried through all requisite steps of the Grievance Procedure.

10.13 The parties may agree to refer one or more grievances through the Expedited Arbitration process as per Section 49 of the Ontario Labour Relations Act.

10.14 Each of the parties hereto will bear the expense of the nominee appointed by it and the parties will share equally the fees and expenses, if any, of the chair of the Arbitration Board.

10.15 Wherever Arbitration Board is referred to in the Agreement, the parties may mutually agree in writing to substitute a single arbitrator for the Arbitration Board at the time of reference to arbitration and the other provisions referring to Arbitration Board shall appropriately apply.

10.16 Upon reasonable notice to the Employer, employees whose attendance is required at an arbitration hearing will receive permission to be absent from work to attend such hearing.

10.17 The decision of the Arbitrator shall be final and binding on both parties.

2023 NEGOTIATIONS

The following language change has been agreed to, subject to final ratification of the 2023 Collective Agreement by both parties:

ARTICLE 11 -VARIANCE REPORT

11.1 An employee shall be notified in writing (**this may include by the way of an email**) of any expression of dissatisfaction concerning their work within two (2) weeks of the date management becomes aware of the complaint. The Employer shall notify the ~~unit steward~~ **union president** that the Employer has received an adverse report on a particular employee within the two (2) week period noted above. Where ~~requested~~ **required, should** the Employer agrees **need** to meet with the employee to discuss the report. ~~The~~ employee will have the right to the presence of a Union steward. The employee's written reply to such report will become part of their file.

All variance report investigations will be completed within an eight (8) - month timeframe from the date of the Variance Report, except:

- Where Guelph Wellington Paramedic service is not the primary investigator and /or the facts of the investigation are reliant on an outside agency.
- Where the employee involved or any employee witnesses are away from work for an extended period of time.
- Where the employer can point to exceptional circumstances that have resulted in a delay in proceeding with an investigation.

Failure to comply with this provision will deem the variance report null and void.

As a result of the investigation should management deem the actions disciplinary, the disciplinary documentation will be presented to the employee with a copy to the **Union Steward**.

11.2 It is understood that all disciplinary documentation will be removed from an employee's file after eighteen (18) months of the date of issue.

11.3 The Employer agrees that all employees shall have the right to view their files. An employee will receive a copy of any document placed in their **Human Resources** file.

11.4 An appointment to review their employee file must be booked a minimum of twenty four (24) hours in advance with Human Resources.

12.01

(a) Full Time:

A full time employee shall be on probation until they have worked a total of six (6) months **and such time may be extended by mutual consent of the parties at the request of the employer.**

(b) Part time:

A part time employee shall be on probation until they have worked a total of nine hundred and twenty five (925) hours **and such time may be extended by mutual consent of the parties at the request of the employer.** A probationary employee shall have all rights and entitlements under the Collective Agreement save and except the grievance and arbitration provisions.

(c) Dismissal or Discipline of a Probationary Employee:

The dismissal or discipline of a probationary employee shall not form the subject matter of a grievance nor shall it be referred to arbitration nor shall a board of arbitration have jurisdiction to consider the matter. After completion of the probationary period, seniority shall be effective from the date of hiring.

(d) One Probationary Period:

An employee shall only be required to serve one (1) probationary period.

2023 NEGOTIATIONS

The following language change has been agreed to, subject to final ratification of the 2023 Collective Agreement by both parties:

ARTICLE 13 - SENIORITY

13.1 Seniority for full time employees is defined as the length of full time service with the Employer from the date of hire. Seniority for part time employees shall be based on the number of hours worked. (For clarification, seniority will include employment with Royal City Ambulance and continue with the City of Guelph).

Effective April 1 2006, any employee who accepts a supervisory position, and who subsequently accepts a position in the bargaining unit shall begin as a new employee having no seniority. Any employee in a supervisory position prior to April 1 2006 and who accepts a position in the bargaining unit shall retain all their seniority they had previously acquired before becoming a supervisor.

The Employer will maintain and post a seniority list as per 13.02. The list will include a calculated seniority date for full time staff and a total number of hours worked for part time staff. **For clarity hours worked will be calculated on all hours worked eg. Modified, Training hours, Overtime, Preshift/end shift etc**

The Employer will complete these calculations which will be inclusive of all hours worked in the pay period that includes December 31 to determine part time employees' seniority dates. Calculations will provide for a maximum of one (1) year of seniority if the employee has worked at least one thousand eighteen hundred and ~~fifty~~ **sixty** (1,8**60**~~50~~) hours in that calendar year.

New Hires will have their seniority date prorated and in no circumstance will the employee's seniority date be earlier than that employee's hire date.

The Employer will share the list of seniority dates with the Union. Successful candidates for all competitions involving part time employees shall be determined based on the total hours worked since being employed by the service.

Part time employees who move within the bargaining unit to a full time position shall have a seniority date calculated based on a maximum of one thousand eighteen hundred and ~~fifty~~ **sixty** (1,8~~60~~**50**) hours in any calendar year equalling one (1) year of seniority. for clarity, any hours worked beyond one thousand eighteen hundred and ~~fifty~~ **sixty** (1,8~~60~~**50**) in a calendar year will not be used to top up other calendar years where the employee worked less than one thousand eighteen hundred and ~~fifty~~ **sixty** (1,8~~60~~**50**) hours.

Full time employees who move within the bargaining unit to a part time position shall have a "total hours worked number" calculated based on one thousand eighteen hundred and ~~fifty~~ **sixty** (1,8~~60~~**50**) hours for each one (1) year of service, and a prorated calculation based on part years of service.

It should be noted all other articles in the Collective Agreement where it references 1850 hours will be changed to reflect 1860 hours

13.4 Job Postings

(a) Where a permanent full time or part time vacancy occurs in a classification within the bargaining unit or a new position within the bargaining unit is established by the Employer, such vacancy shall be posted by the City of Guelph for a period of ten (10) calendar days. Vacancies will be posted electronically. Applications for such vacancy shall be made in writing within the ten (10) day period referred to herein. Applications from the bargaining unit where the vacancy or new position exists will be considered prior to applications from outside of the bargaining unit.

(b) Where a temporary vacancy of ~~one (1)~~ **Two (2)** months or more occurs in a full time position or "line" on the schedule, a notice of "line transfer" for full time employees will be posted for a period of ten (10) calendar days. Applications from the bargaining unit where the vacancy exists will be considered prior to applications from the alternate unit and then from the Part Time seniority list.

Selection will be by highest senior qualified applicant. The resulting vacancy will then be posted and filled as per the provisions of this Agreement. All permanent vacancies will be posted within thirty (30) calendar days, unless an extension has been mutually agreed to.

- (c) The postings shall stipulate the following;
- job title and number of vacancies
 - qualifications
 - station
 - position number
 - status (FT PT ACP or PCP)
 - working hours
 - pay range
 - opening and closing dates
 - anticipated duration dates for temporary postings

A copy of the posting(s) will be provided to the Chief Steward at the time of posting.

(d) In determining the successful candidate, the senior applicant able to meet the normal qualifications of the job shall be selected and **electronic written notice, including the name of the successful candidate** ~~a notice of same~~ will be provided to the Chief Steward within fourteen (14) days of notification to the successful applicant.

(e) The name of the successful applicant will be posted electronically. The successful candidate may occupy the new position from the date of this posting.

(f) The order of application consideration will be as follows;

- full time employees within the bargaining unit. If no successful applicant then,
- full time employees in the alternate (Guelph or Wellington) bargaining unit. If no successful applicant then,
- part time employees in Guelph-Wellington Paramedic Service. If no successful applicant then,
- the Employer may hire externally.

The Employer will post and fill the job as per the vacancy that exists, either ACP or PCP. If an ACP vacancy exists after the above hiring sequence, it may be posted as a PCP vacancy.

(g) Seniority Calculation on Transfer:

In the event that a full time employee transfers to part time status or part time to full time; seniority shall be on the basis that **1860** ~~1850~~ hours will equal one (1) year. This seniority will be for the purpose of job competition, layoff/recall, and placement on the wage grid.

(h) Posting of Temporary Vacancies:

Temporary vacancies caused by a full time employee being assigned out of or granted a leave-of absence from their home position shall be posted in accordance with clause 13.04 provided that the temporary vacancy is expected to last **Two (2)** ~~one (1)~~ months or longer. The duration of the position will be dependant on the return of the absent full time employee.

Should an employee (Full Time or Part Time) prematurely terminate a contract or line transfer prior to the return of the absent employee, they will be ineligible to apply for another temporary vacancy for thirty (30) days.

The employer will provide notice to an employee in a temporary contract or line transfer when a temporary position is ending. The notice will be via phone call (with message left if no answer) and email, five (5) business days prior to the end of the temporary position, where possible. Where the employer is not made aware that an absent employee is returning to work (and therefore that a temporary position is ending) until less than five (5) business days before such ending, the employer will provide as much notice as possible to the incumbent in that temporary position.

When a Part Time employee receives notification that their contract is ending, they will have the option to bump the least senior Part Time employee who is working in a contract and assume the remainder of that contract. The more senior Part Time paramedic will have one (1) business day from the time that the notification is sent (via phone and email) of the impending end of the contract to confirm that they wish to exercise their right to bump. Failure to confirm that intention will negate the option to bump.

(i) Layoff Procedures

When it becomes necessary to reduce the number of full time positions, the Employer shall initiate the following procedure:

1) Employees and supervisors shall cease to work scheduled overtime at any station if such overtime hours can reasonably be made available to any laid-off full time employee.

2) It is understood that a manager's hours of work on the vehicle will be restricted to twenty-four (24) hours per week, in the event of layoff of a full time employee.

3) The regularly scheduled full time employee with the least seniority working at any station, shall be laid off.

It is understood that the full time employee laid-off in such a situation will automatically become the most senior part time person, and as such will be eligible for as many part time hours as possible to a maximum of eighty-four (84) hours per two (2) week pay period.

A full time employee who becomes a part time employee under this provision retains recall rights into full time positions, which may become vacant within the bargaining unit.

In the event of more than one (1) full time employee being laid-off at the same time, the distribution of the available part time hours between the laid-off full timers shall be determined by mutual agreement between the parties. Failing mutual agreement, all available part time hours shall be distributed by seniority to a maximum of eighty-four (84) hours per person per two (2) week pay period.

2018 CONTRACT NEGOTIATIONS

LETTER OF UNDERSTANDING ADVANCED CARE PARAMEDIC TRAINING

Notwithstanding Article 17 – Advanced Care Paramedic Training (ACP) of the Collective Agreement and the terms therein, which are not applicable to this agreement:

The Parties agree that the Employer will support Primary Care Paramedics (PCP)'s who are employed full time by the Employer in their efforts to achieve Advanced Care Paramedic (ACP) certification. The Employer agrees to support up to two (2) PCP employees in completing the ACP education and certification requirements for each calendar year.

The terms of the support shall include:

1. The Employee must be a current PCP, in good standing, and must have a minimum of 4000 hours of work experience within the last three (3) years as a PCP at Guelph-Wellington Paramedic Service. Furthermore, any PCP involved in a job share agreement will not be considered.
2. A PCP who has previously been certified in Ontario as an ACP, or who has previously attended an ACP college program, will not be eligible for this support.
3. The Employer will post an Expression of Interest for PCPs who meet the above listed criteria for eligibility. PCPs will be selected for this support based on the successful completion of a qualifying assessment administered by the Employer and vetted by the union. Where the qualifications of each PCP candidate are determined to be equal, selection shall be by seniority.
4. The successful PCP candidate(s) will be responsible for the fulfilment of all admission requirements as outlined by the applicable Educational Institute. The Employer has the right to approve or disapprove of the selected Educational Institute.
5. The Employer will reimburse each successful candidate, to a maximum of fifteen thousand dollars (\$15,000.00), towards the cost of tuition, course materials and related

administration costs. The Employer will provide reimbursement upon proof of payment and proof of enrolment in an approved Educational Institution offering ACP certification.

6. The Employer will not be responsible for other costs associated with the education and attempts to achieve ACP certification including, but not limited to, travel, accommodation and Ministry of Health examination requirements.

7. The Employer will grant each PCP approved for this support up to fifteen (15) days of paid leave to accommodate approved ACP education activities, including classroom and preceptorship requirements. It is understood that time spent by the Employee in completing the education and certification requirements will likely exceed fifteen (15) days, and that the Employee will be responsible for arranging the remaining time off through use of vacation, other banked time or approved unpaid leave of absence.

8. The Employee is responsible for providing any required schedule adjustments needed to the Employer within a reasonable time. The Employer will make reasonable efforts to assist the Employee in adjusting their schedule to accommodate the ACP education, including time required for classroom and preceptorship activities. Furthermore, the Employer will attempt to schedule the consolidation period in the most effective manner. It is understood that any time spent by the Employee on pursuing the ACP certification that occurs on days not scheduled to work will not be paid time.

9. It is understood that the terms of the Collective Agreement regarding hours of work and overtime will not apply to time spent by the Employee on their education and attempts to achieve ACP certification supported by this agreement. The Employees will continue to accrue seniority during paid leave of absence days.

10. It is understood that any actions by an Educational Institution, Base Hospital, certifying agencies, or their representatives, do not come under the jurisdiction of the Collective Agreement and, therefore, cannot constitute a dispute or grievable action under the Collective Agreement.

11. PCP employees participating in ACP training will be permitted to attend the workplace and ride as a 3rd person in Guelph-Wellington Paramedic Service ambulances on their days off, (unpaid), in order to complete the course requirements.

12. Should the PCP employee successfully achieve ACP certification from Base Hospital and the approval of the Employer to work as an ACP, the ACP rate of pay will then apply. The employer will consult with the Union and make every reasonable attempt to keep the employee within their current bargaining unit when assigning the new ACP. The Employer reserves the right to assign the new ACP to any permanent vacancy. Should no permanent vacancy be available, Management reserves the right to assign the new ACP to any filled or unfilled temporary vacancy. Management reserves the right to keep them in their original line based on operational need. Changes to schedules will recognize seniority. Any bumping that results from these changes will be done in accordance with the Collective Agreement

14. As a condition of receiving support through this agreement, a full time PCP employee who successfully achieves ACP certification shall not terminate their full time employment with the Employer, or request to participate in a job share, or returns to PCP status for the three (3) year period subsequent to the date certification was achieved. In the event that such Employee terminates their full time employment, for any reason, or returns to PCP status or fails to obtain the ACP certification from Base Hospital after three (3) attempts, it is agreed that the employee shall immediately repay the Employer for the cost of the ACP tuition, and other related expenses paid by the Employer, pro-rated on the basis of that portion of the three-year period not served, and that such re-payment will be a debt owed by the Employee to the Employer. Furthermore, the Union agrees that the Employer may withhold the amount of such debt from all wages owed to the Employee upon their termination date.

15. A PCP who participates in this support program and is unsuccessful in achieving ACP certification, will not be eligible to participate in the program in any future year, inclusive of the college and service entry exam. A PCP that opts to quit the program prior to completion will be required to repay the Employer for the cost of the ACP tuition, and other related expenses paid by the Employer. Employees may approach their union and/or management representatives to discuss an exemption from any of the criteria above.

LETTER OF UNDERSTANDING –FLOAT POSITIONS

Whereas the parties recognize they have a mutual interest in ensuring effective staffing, therefore the following conditions shall apply:

1. The employer agrees to offer the float position to up to eight (8) current part-time paramedics working for the City of Guelph.
2. The float positions will not be considered a full-time employee under the current Collective Agreement except as outlined below.
3. The float position will be scheduled 84 hours within a two (2) week pay period. Floats may be scheduled to cover a long-term absence, as a priority where operational needs require. They also may be assigned to short term absences in work schedules for coverage.
4. The float position will be considered permanent contract employee(s) and will have all the benefits, vacation and accruals as outlined in the Collective Agreement. Should the individual in a float position wish to return to part time status within the first six (6) months of the award of the float position, they will provide the employer with two (2) weeks' notice with the request in writing to return to part time status. Effective the date of return to part time status, they would assume all rights and entitlements of part time status employees in accordance with the Collective Agreement.
5. The parties recognize that these float positions are above the approved compliment of employees for the department. As such, and despite article 13.04 of the Collective Agreement, should these positions become vacant they will be posted at the discretion of the employer.
6. These float position will be assigned to shifts in either the Guelph Unit or the Wellington Unit based on the operational needs of the Service.
7. The float positions will be assigned shifts prior to part-time employees.
8. The float position will not have a permanent station assignment and will float through all stations and shifts with varying start times.

9. The employer will endeavour to provide the float positions with as much notice possible regarding the base in which they shall report to, with no less than eight (8) hours of notice.
10. Should the full-time float be required to travel to another base after the start the shift, the employee will be provided a means of transportation.
11. The float employees will be offered overtime opportunities consistent with Article 21 of the Collective Agreement.
12. Employees in a float position will be allowed to book their vacation as per article 24.04 of the Collective Agreement and consistent with the limits on number of vacations allowed in the bargaining unit that their float line is assigned to at the time that the vacation is taken.
13. This letter in no way represents the concept of the Universal Medic.
14. Float positions would commence September 3, 2023 and will end with the expiration of this contract should the parties not renew this letter and employees in float positions will be returned to a part time position.
15. The agreement will expire at the end of the collective agreement, unless renewed at the next round of bargaining.
