COLLECTIVE AGREEMENT

BETWEEN:

THE CORPORATION OF THE COUNTY OF BRANT
(Hereinafter called the "Employer")

- and -

**THE ONTARIO PUBLIC SERVICE EMPLOYEES UNION/
Syndicat des employés de la fonction publique de l'Ontario**
and its Local 256
(Hereinafter called the "Union")

PREAMBLE

WHEREAS it is the desire of both Parties to this Agreement:

- (1) To maintain and improve harmonious relations and settled conditions of employment between the Employer and the Union;
- (2) To recognize the mutual value of joint discussions and negotiations in all matters pertaining to working conditions;
- (3) To encourage efficiency in operation;
- (4) To promote the morale, well-being and security of all employees in the Bargaining Unit.

WHEREAS it is now desirable that methods of bargaining and all matters pertaining to the working conditions of the employees be drawn up in a Collective Agreement.

NOW THEREFORE, the Parties agree as follows:

ARTICLE 1 – RECOGNITION

- 1.01 The Employer recognizes the Ontario Public Service Employees Union (The Union) as the sole and exclusive bargaining agent for all paramedic employees of The County of Brant Ambulance Service, save and except, supervisors and persons above the rank of supervisor.

ARTICLE 2 – RELATIONSHIP

- 2.01 The parties hereto mutually agree that any employee of the Employer covered by this Agreement shall, as a condition of employment, become a member of the Union.
- 2.02 The Employer and the Union agree that there will be no intimidation, discrimination, interference, restraint, or coercion exercised or practised by either of them or by any of their representatives or members. Particularly, there shall be no discrimination against employees with respect to terms and conditions of employment on the grounds of age, ancestry, colour, race, citizenship, ethnic origin, place of origin, creed, disability, family status, marital status (including single status), gender identity, gender expression, receipt of public assistance (in housing only), record of offences (in employment only), sex (including pregnancy and breastfeeding) and sexual orientation, Union membership or activity.

The parties will negotiate accommodation measures to eliminate discrimination, provided that the accommodation does not cause undue hardship on either party as defined in the *Ontario Human Rights Code*.

Where an employee has submitted appropriate medical documentation, he may be accommodated by riding third on a car in order to maintain his/her skill level.

In all cases employees on accommodation will be provided meaningful work within their skills and abilities.

- 2.03 It is agreed that the Union and the employees will not hold meetings at any time on the premises of the Employer without the permission of the Employer.

The Employer will provide a bulletin board at each station for use by the Union for the purpose of posting Union notices, publications and correspondence, which shall be signed and dated by the Union Steward.

- 2.04 The Employer agrees that new employees in the Bargaining Unit will be advised as to the names of the Stewards. A representative of the Union shall be given the opportunity, upon request to the manager for permission, which permission shall not be unreasonably withheld, to interview each new employee at such station, within regular working hours, without loss of pay to the representative, or to the new employee, for a maximum of thirty (30) minutes during the first thirty (30) days of employment, for the purpose of acquainting the new employee with the benefits and duties of the Union membership, and his/her responsibilities and obligations to the Union. Such interview must not interfere with the normal schedule of operations or response time.

ARTICLE 3 – MANAGEMENT RIGHTS

- 3.01 The Union recognizes and acknowledges that the Management of the stations and direction of the working force are fixed exclusively in the Employer, and without restricting the generality of the foregoing the Union acknowledges that it is the exclusive function of the Employer to:
- (a) Maintain order and efficiency;
 - (b) Hire, promote, classify, transfer, suspend and rehire employees, and to discipline or discharge any employee for just cause, provided that a claim by an employee that he has been discharged or disciplined without just cause may be the subject of a grievance and dealt with as hereinafter provided;
 - (c) Make, enforce and alter, from time to time, rules and regulations to be observed by the employees. The Employer agrees to supply the Local Union with copies of any changes in rules and regulations within seven (7) days of the posting of such changes and the Union may then request a consultation regarding same. Except in the case of Ministry of Health or corporate directives, this consultation shall take place before changes are implemented, providing however, that such consultation shall not affect the validity of the rule. All new or amended Policies and Procedures, notices and memos will be dated and signed by the Employer prior to posting and send out via email;
 - (d) Determine the nature and kind of business conducted by the Employer, the kinds and locations of stations, equipment and materials to be used, the control of materials and parts, the methods and techniques of work, the content of jobs, the work schedules, the number of employees to be employed, the extension, limitations, curtailment, or cessation of operations or any part thereof, and to determine and exercise all other functions and prerogatives which shall remain solely with the Employer

except as specifically limited by the express provisions of this Agreement.

- 3.02 In the exercise of its functions as provided for in this Article or otherwise, the Employer shall act reasonably, fairly, and in good faith, in a manner consistent with the Collective Agreement

ARTICLE 4 – UNION-MANAGEMENT COMMITTEE

- 4.01 A Union-Management Committee shall be established consisting of three (3) representatives of the Employer and three (3) representatives of the Union including the Unit Steward. The Committee shall enjoy the full support of both parties in the interest of maximum service to the public.

- 4.02 The Committee shall concern itself with the following general matters:

- (a) Considering constructive criticism of all activities so that better relations shall exist between the Employer and employees;
- (b) Operation efficiency;
- (c) Improving service to the public;
- (d) Promoting safety and sanitary practices;
- (e) Reviewing suggestions from employees, questions of working conditions and service (but not grievances concerned with service);
- (f) Correcting conditions making for grievances and misunderstandings;
- (g) Reviewing new job descriptions and classifications in the Bargaining Unit.

The Committee shall determine meeting dates every January and may meet at a mutually agreeable place once every three (3) months. Members shall receive a notice of the meeting and agenda at least two (2) weeks in advance of such meeting. Members of the Committee shall be entitled to submit new items under new business.

The Union-Management Committee shall have no authority to change, delete or modify any terms of the Collective Agreement or to settle grievances arising under this Agreement.

ARTICLE 5 – UNION REPRESENTATION

5.01 The Employer acknowledges the right of the Union to appoint or otherwise select a Committee, which shall be composed of four (4) Stewards. All Stewards shall have completed their probationary period. The name and area of each of the Stewards shall be given to the Employer in writing and the Employer shall not be required to recognize any such Stewards until it has been so notified.

5.02 The rights of Stewards to leave work without loss of pay to attend to Union business is granted on the following conditions:

- (a) The time taken shall be devoted to prompt handling of necessary Union/Management relations;
- (b) The Steward concerned shall obtain the permission of his/her supervisor before leaving his/her work, and shall report to his/her supervisor upon his/her return. If the Steward's supervisor is not available, he may deal with a supervisor who is available;
- (c) The Employer reserves the right to limit such time if it deems the time so taken to be excessive.

5.03 The Employer agrees to recognize a Negotiating Team of three (3) members of the Bargaining Unit plus a paid representative of the Ontario Public Service Employees Union. Bargaining Unit members shall suffer no loss of pay for time spent in negotiations, including essential services negotiations, up to and including Conciliation. The Union may bring outside counsel to the table as required.

Full-time Bargaining Unit members who attend negotiations on a regularly scheduled day off will be granted an alternate day off with pay.

Part-time Bargaining Unit members who attend negotiations up to and including conciliation will be paid for twelve (12) hours for each day in attendance.

ARTICLE 6 – GRIEVANCE PROCEDURE

6.01 The parties to this Agreement are agreed that it is of the utmost importance to adjust complaints and grievances concerning the interpretation or alleged violation of the Agreement as quickly as possible.

6.02 No grievance shall be considered where the events giving rise to it occurred or originated more than ten (10) calendar days before discussing the grievance. In the case of a pay grievance, this period shall be ten (10) calendar days from the date of the pay cheque, which is questioned.

6.03 In order to provide an orderly and speedy procedure for the settling of grievances, the Employer acknowledges the right of the Union, as set out in Article 5, to appoint or elect Stewards whose duties shall be to assist any employee in preparing and in presenting his/her grievances in accordance with the grievance procedure. However, nothing contained in this Agreement shall be deemed to deprive any employee of his/her right to settle any grievance without the assistance of the Union if he so desires.

No employee shall be required or permitted to make any written or verbal agreement with the Employer or its representative(s) which conflicts with the terms of this Agreement.

6.04 **Step 1 – Verbal**

The aggrieved employee and/or his/her Steward shall present his/her grievance verbally to his/her supervisor. The supervisor shall give his/her decision within ten (10) calendar days following the presentation of the grievance to him. If the supervisor's decision is not satisfactory to the employee concerned, then a written grievance may be presented as follows:

Step 2 – Director

Within ten (10) calendar days after the decision is given at the written Step 1 above, the aggrieved employee and/or his/her Steward may submit his/her grievance in writing to the Director, or such person as the Director may designate and the employee and his/her Steward shall meet as promptly as possible with such persons as the Director may desire, to consider the grievance. At this stage they may be accompanied by a full-time representative of the Union if either party requests his/her presence. The Director, or such person as the Director may designate, will render his/her decision in writing within ten (10) calendar days following such meeting.

Step 3 – C.A.O.

Within ten (10) calendar days after the decision is given at Step 2 above, the aggrieved employee and/or his/her Steward may submit his/her grievance to the C.A.O., or such person as the C.A.O. may designate and the employee and his/her Steward shall meet within ten (10) calendar days with such persons as Management may desire, to consider the grievance. At this stage they may, be accompanied by a full-time representative of the Union if either party requests his/her presence. The C.A.O., or such person as the C.A.O. may designate, will

render his/her decision in writing within ten (10) calendar days following such meeting.

- 6.05 If final settlement of the grievance is not reached at Step 3, then the grievance may be referred in writing by either party to Arbitration as provided in Article 7, at any time within twenty-one (21) calendar days after the decision is given under Step 3 but not later.

6.06 **Group Grievance**

Any complaint or grievance concerning or affecting a group of employees shall be originated under Step 2 of the grievance procedure. A group grievance is defined as a complaint that affects more than one (1) employee in the same fact situation. The grievance presented shall identify each employee who is grieving.

6.07 **Policy Grievance**

A Policy Grievance is hereby recognized whereby either party to this Agreement may submit a matter in dispute between them involving the interpretation or application of the Collective Agreement to a grievance beginning at Step 3 of the grievance procedure provided this is submitted within ten (10) calendar days of the event which is being grieved. However, a Union policy grievance shall not include a matter or matters which an employee is entitled to grieve as a personal grievance.

6.08 **Extension of Time Limits**

By mutual agreement of the Employer and the Union, the time limits stated in the grievance procedure may be extended; however, such agreement must be confirmed in writing and the parties agree that the time limit extensions will not be unreasonably denied. The time limits set out in this Article are mandatory and failure to comply shall result in the grievance being deemed to have been abandoned.

ARTICLE 7 – ARBITRATION PROCESS

7.01 **Mediation/Arbitration Process**

- (a) The parties to the Collective Agreement may, at any time, agree to refer one or more grievances under the Collective Agreement to a single mediator/arbitrator for the purpose of resolving the grievances in an expeditious and informal manner.

- (b) The parties shall not refer a grievance to a mediator/arbitrator unless they have agreed upon the nature of any issues in dispute.
- (c) A mediator/arbitrator appointed under the above Article shall begin proceedings within forty-five (45) days of referral to mediation/arbitration, unless, a later date is agreed to by the parties.
- (d) The mediator/arbitrator may adopt such procedures as are necessary to allow an expeditious resolution of the issue in dispute. Decisions by a mediator/arbitrator may be made in such a manner as the mediator/arbitrator chooses; however, a written decision shall be made at the request of either party.
- (e) In every such case, the mediator/arbitrator shall issue a written decision no later than twenty (20) days from the date of the hearing.

7.02 **Arbitration Process**

The parties agree that any dispute or grievance concerning the interpretation or alleged violation of this Agreement, which has been carried through all the steps of the grievance procedure outlined in Article 6 above, and which has not been settled or referred to the mediation/arbitration process, may be referred to arbitration at the request of either of the parties hereto in accordance with Article 6.05 herein.

- 7.03 The party referring the grievance to arbitration shall propose to the other party its suggestions for a sole arbitrator at the time of the referral. If there is no agreement, the other party shall propose its suggestions for sole arbitrator.
- 7.04 In the event the parties do not agree on a sole arbitrator within fourteen (14) days of the referral, either party may request the Minister of Labour to appoint a sole arbitrator.
- 7.05 The decision of the arbitrator shall be binding on the parties subject to any judicial review.
- 7.06 The parties shall share equally the fees and expenses of the arbitrator.
- 7.07 The arbitrator shall not have any power to alter or change any of the provisions of this Agreement or to substitute any new provisions for any existing provisions, nor to give any decisions inconsistent with the terms and provisions of this Agreement.

ARTICLE 8 – DISCIPLINE/DISCHARGE CASES/INCIDENTS

- 8.01 A claim by an employee that they have been discharged without just cause shall be treated as a grievance if a written statement of such grievance is lodged with the C.A.O. at Step 3 of the grievance procedure within fourteen (14) days after the employee ceased working for the Employer.

Such special grievance may be settled by:

- (a) Confirming the Management's action in dismissing the employee; or
 - (b) Reinstating the employee with full compensation for time lost; or
 - (c) Any other arrangement, which is just and equitable in the opinion of the conferring parties or the Board of Arbitration.
- 8.02 When an employee has been dismissed without notice, he shall have the right to interview his/her Steward for a reasonable period of time before leaving the Employer's premises. Failure to do so will not void the discharge.
- 8.03 An employee shall be notified in writing of any complaint, as described below, concerning his/her work within fourteen (14) days of the complaint. This notice shall outline in brief the particulars of the work performance, which led to the complaint. The employee's written reply to such complaint shall become part of his/her record. If this procedure is not followed, such complaint shall not become a part of the employee's record for use against him at any time. This applies with respect to the conduct of an employee, in the event of complaints by persons outside the Employer such as an outside agency, the media, or a member of the public.
- 8.04 When a supervisor feels it is necessary to reprimand an employee and where such reprimand may result in the demotion, suspension or dismissal of the employee or any reprimand which shall be attached to the employee's Human Resources file, the reprimand shall be made in private and the employee being reprimanded will be offered Union representation if he/she so desires. In the event an employee chooses not to have Union representation a waiver will be signed off by the employee.
- Disciplinary action on the employee's file will be removed after the employee has achieved a period of eighteen (18) consecutive months free of related discipline.
- 8.05 In matters of discipline involving a written reprimand, suspension or discharge, the Employer shall provide notification in writing of such discipline to the Unit

Steward as soon as possible within two (2) calendar days of such discipline. Failure to provide such notification will not void the discipline.

- 8.06 The Employer will deal with discipline issues in a timely manner.
- 8.07 Where an employee is suspended during an investigation for an alleged misconduct, the period of investigation shall be with full pay, benefits and credits. It should be noted that any resulting disciplinary suspension would be without pay.
- 8.08 If an investigation requires an employee to rewrite EMCA exams as an outcome of an investigation and he/she fails, the employee will be allowed the same rights and opportunities as outlined in Article 11.07 Decertification.
- 8.09 **Incident Reports**
The Employer will acknowledge incident reports prepared by a paramedic within fifteen (15) working days of receipt of such report.

ARTICLE 9 – NO STRIKES/NO LOCKOUTS

- 9.01 The Union agrees there shall be no strikes and the Employer agrees there shall be no lockouts so long as this Agreement continues to operate. The terms “strike” and “lockout” shall bear the same meaning given them in the *Ontario Labour Relations Act*.

ARTICLE 10 – SENIORITY

- 10.01 Seniority, as referred to in this Agreement, shall mean length of continuous service in the employ of the Employer as a paramedic or in the employ of another employer, as a paramedic whose operations have been purchased or assumed by the Employer and shall be used in accordance with the terms of this Agreement, in determining preference or priority for vacation selection, promotions, lay offs and recall. Seniority shall be on an Employer-wide basis as a paramedic.
- 10.02 An employee will be considered on probation for the first six (6) months of his/her employment. After six (6) months service, his/her seniority shall date back to the day on which his/her employment began. The dismissal of a probationary employee for failure to meet the requirement of the job, lay off, or recall after lay off of a probationary employee shall be at the Employer’s discretion and is not subject to the grievance procedure. The Employer may

grant an extension of the probationary period where the employee has not had an adequate opportunity to meet the requirements of the job.

10.03 Seniority lists will be revised each six (6) months. A copy of the list will be posted in each station and a copy given to the Unit Steward, and any employee on leave. If an employee does not challenge the position of his/her name on the seniority list within two (2) months from the date his/her name first appears on the seniority list, then he shall be deemed to have proper seniority standing.

10.04 In the case of a promotion (other than promotions outside the Bargaining Unit) and demotions (other than disciplinary demotions), the following factors shall be considered:

- (a) Seniority;
- (b) Ability and qualifications;

Where, in the opinion of the Employer the factors in (b) are relatively equal for the job in question, factor (a) seniority, shall govern. In the exercise of its opinion, the Employer shall not act in an arbitrary or discriminatory fashion, in keeping with the provisions of the *Ontario Human Rights Code*.

Post probationary part-time employees are deemed to possess the ability and qualifications to perform full-time work in their classifications.

10.05 Subject to Article 10.06, seniority shall accumulate in the following circumstances only:

- (a) When off work due to lay off, seniority shall continue to accumulate for a period of time equal to eighteen (18) months;
- (b) When off work due to sickness or accident;
- (c) When off work due to personal leave of absence then seniority will continue to accumulate for up to twelve (12) calendar months of such leave;
- (d) When absent on vacation with pay or on a designated holiday;
- (e) When actually at work for the Employer as a paramedic;
- (f) When absent under the Union leave provisions of this Agreement;
- (g) When absent on pregnancy or parental leave.

- 10.06 Seniority shall terminate and an employee shall cease to be employed by the Employer when he/she:
- (a) Voluntarily quits his/her employment with the Employer;
 - (b) Is discharged and is not reinstated through the grievance procedure or arbitration;
 - (c) Is off work for any reason for a continuous period of twelve (12) months other than lay off in which case the continuous period referred to in this clause shall be eighteen (18) months, or where the employee is receiving weekly benefits from the Workplace Safety Insurance Board (WSIB) or under the Long Term Disability Plan in which case the continuous period referred to in this clause shall be twenty-four (24) months. It is understood that this clause is subject to the provisions of the *Ontario Human Rights Code*;
 - (d) Fails to report for work within two (2) weeks after being notified by the Employer of recall;
 - (e) Fails to return to work upon the termination of an authorized leave of absence unless there has been a mutually agreed upon extension of the leave of absence;
 - (f) Accepts gainful employment while on a leave of absence without first obtaining the consent of the Employer in writing. This provision does not apply to any employee absent with leave due to accident, injury or illness;
 - (g) Is absent from work for two (2) consecutive shifts unless due to verified illness or unless such absence is approved by the Employer, provided the Employer does not act in bad faith in making its decision.
- 10.07 Seniority shall be retained but shall not accumulate when occupying a temporary or acting position outside the Bargaining Unit, or when assigned project or training work outside the Bargaining Unit, for a period of nine (9) months only. The employee shall continue to pay Union dues, and shall maintain the right to their Bargaining Unit position, during this nine (9) month period. Continuation of such assignment for more than nine (9) months shall result in the loss of all seniority.
- 10.08 It is agreed that the Employer may transfer an employee in a supervisory or confidential position beyond the scope of this Agreement into a vacant position within the scope of this Agreement within the six (6) month period after the promotion and he/she shall be given a seniority date equal to any seniority

he/she had previously acquired in the Bargaining Unit. No full-time employee shall be displaced from his/her position as a result of this provision.

- 10.09 It shall be the duty of each employee to notify the Employer promptly of any change of address. Any notice required of the Employer shall be deemed to have been given if forwarded by registered mail to the employee at the last address of which the Employer had notice. The Employer shall notify the Union of any difficulties contacting an employee.
- 10.10 If an employee transfers from full-time status to part-time status or vice versa, seniority accumulated since August 29, 2000 shall be converted on the basis of one (1) year being equal to 2080 hours. In addition, any employee who was in the employment of the Employer on August 29, 2000 will be credited with accumulated seniority based on the Brant County Ambulance Service Limited seniority list, dated December 31, 1999.
- 10.11 No employee may be credited with more than 2080 hours per one (1) year seniority in any calendar year.
- 10.12 The Employer will post permanent and temporary job postings for ten (10) calendar days. A temporary job posting is any temporary vacancy which is expected to be greater than six (6) weeks. The following procedure will be followed:
 - (a) The Director or designate will email all paramedic employees, identifying the permanent or temporary position and a copy of the posting will be faxed to all EMS stations to be posted.
 - (b) It will be all employees; responsibility even if absent from work, to apply within ten (10) calendar days.
 - (c) Employees will submit their application for the position in accordance with the posting.
- 10.13 The Employer agrees to provide the Unit Steward with a copy of each posting and the name of the successful applicant.

ARTICLE 11 – JOB SECURITY

- 11.01 In the event of a lay off of a full-time employee, employees shall be laid off in reverse order of their seniority, provided ability and qualifications are relatively equal to do the required work.

11.02 In the event of a permanent (long term) lay off, a full-time employee shall receive four (4) months of lay off notice or pay in lieu thereof. The notice period shall begin when the employee receives written notice. Copies of such notice will be provided to the Union Local. The employee is deemed to receive notice on the date written notice is given to him by hand or the date of registration, if given by registered mail. Permanent lay off is any lay off which is greater than one (1) month in duration.

11.03 **Short Term Lay Off**

In the event of a lay off of less than (1) month in duration but greater than one (1) shift in duration, it is agreed that a laid off full-time employee will have first access by seniority to any scheduled overtime and scheduled part-time work up to the normal weekly full-time hours of work or any other unscheduled hours that become available up to the normal weekly full-time hours of work.

Where a full-time employee is laid off for a period of more than one (1) shift but less than one (1) week due to unforeseen circumstances, beyond the Employer's control, the lay off may occur without notice and such employee may at his/her discretion:

- (a) Displace a more junior employee in a position for which he/she is qualified;
- (b) Choose to perform part-time work for the duration of the lay off;
- (c) Choose to utilize his/her vacation or banked credits;
- (d) Choose to accept the lay off.

11.04 The Employer agrees that no full-time P1 will be laid off or suffer a reduction in hours because of the Employer hiring a P2 externally.

11.05 **Access to Part-time Hours**

On lay off, a full-time employee will be offered first opportunity to work part-time hours up to his/her normal weekly hours of work provided he/she is willing to accept this work at the prevailing wage and benefit levels applicable to part-time employees and provided he/she is able and qualified to perform the work.

This opportunity applies for the duration of lay off as long as recall rights exist for the laid off employee. Any severance pay owed to such employee in the event of lay off is not payable for the duration of time during which the employee is accessing part-time hours under this provision. If the employee has not been recalled to full-time employment as of expiration of his/her recall rights, his/her severance pay entitlement will be based on the employee's

entitlement to severance pay as a full-time employee and will be paid as of the expiration of recall rights. On payment of severance pay, any subsequent access to part-time employment is only on the mutual agreement of the Employer and employee.

11.06 **Recall Rights**

- (a) An employee shall have opportunity of recall from a lay off to an available opening, in order of seniority, provided he/she has the ability and qualifications to perform the work before such opening is filled on a regular basis under a job posting procedure. The posting procedure in the Collective Agreement shall not apply until the recall process has been completed.
- (b) An employee recalled to work in a different classification from which he/she was laid off shall have the privilege of returning to the position held prior to the lay off should it become vacant within twelve (12) months of being recalled.
- (c) The Employer shall not hire any new employee to perform work normally performed by Bargaining Unit employees while a Bargaining Unit member is on lay off with recall rights, and is able and qualified to perform the required duties of the position.
- (d) The Employer shall notify the employee of recall opportunity by registered mail, addressed to the last address on record with the Employer. The notification shall state the job to which the employee is eligible to be recalled. The employee is solely responsible for his/her proper address being on record with the Employer.
- (e) Employees on lay off shall be given preference for temporary vacancies, which are expected to exceed two (2) weeks. An employee who has been recalled to such temporary vacancy shall not be required to accept such recall and may instead remain on lay off.
- (f) In the event of a lay off of an employee, the Employer shall pay its share of insured benefit premiums for the duration of the four (4) month notice period provided for in Article 11.02.
- (g) A person shall lose their recall rights if they do not accept the recall, and/or they fail to report for duty within two (2) weeks of receiving notice of recall, or are otherwise not recalled for a period of eighteen (18) months following lay off.

11.07 **Decertification**

The Employer may assist the Paramedic in obtaining Base Hospital reactivation/recertification date. This assistance shall not be unreasonably denied.

A Paramedic II who is deactivated and/or decertified by base hospital, but retains certification in SAED and Symptom Relief skills will be allowed to work as a Paramedic I, on a temporary basis, for a maximum period of four (4) months, while endeavouring to obtain reactivation or re-certification by the end of the aforementioned four (4) month period, he/she will become a Paramedic I on a permanent basis provided there is a vacancy for this classification; or if there is no vacancy, he/she will become a part-time employee. If the employee is successful in obtaining the required re-certification and/or reactivation during the four (4) month period, he/she will return to Paramedic II status.

A Paramedic II who is deactivated and/or decertified by base hospital and does not retain certification in SAED and Symptom Relief skills will be assigned non-patient care duties for a maximum of an eight (8) week period, during which time such employee is expected to obtain reactivation and/or re-certification by base hospital. If the employee is successful in obtaining the required recertification and/or reactivation during the eight (8) week period, he/she will return to Paramedic II status. may double up on patients to maximize efficiency while maintaining patient care standards.

Extreme circumstances would be considered when greater than seventy-five percent (75%) of the current deployment of vehicles on the road are reaching the eighth hour of consecutive work and all reasonable measures have been taken throughout the shift to try to accommodate a break.

Any availability withdrawn that would result in the employee being below the minimum requirement shall be replaced with equal availability to work within the remainder of the scheduling period. Any such updates will not reduce the number of shifts that the employee is available to work. Employees will have access to the e-scheduling software to maintain accurate availability.

A day shift shall be defined as any shift with a start time commencing from 0500 hours to 0959 hours

LETTER OF UNDERSTANDING #9 – JOB SHARING

BETWEEN:

**THE CORPORATION OF THE COUNTY OF BRANT
(hereinafter referred to as the "Employer")**

- and -

**ONTARIO PUBLIC SERVICE EMPLOYEES UNION
On behalf of its Local 256
(hereinafter referred to as the "Union")**

Preamble:

Job Sharing refers to the concept of a written agreement where two (2) equally qualified Paramedics divide the hours and responsibilities of one (1) Full-time Paramedic position (FTE). All Job Sharing Agreements must be fair and equitable, not cost in excess of one (1) full-time position and be in accordance with the County of Brant Policies and Procedures, the County of Brant EMS Policies and Procedures and any applicable legislation. Both Paramedics must have the ability, experience and qualifications to perform the duties and responsibilities of the position which is to be shared. Each Job Sharing Agreement will adhere to the following Letter of Understanding in the Collective Agreement and will be further defined by a written agreement signed by both parties entering the job sharing arrangement. All Job Sharing Agreements must be approved by the County of Brant Director of Ambulance Services.

Definitions and Specifications:

1. Job Sharing, for the purpose of this agreement, shall be defined as the sharing of the hours and responsibilities of a normally scheduled Full-time Paramedic (one [1] FTE) by two (2) existing Paramedics of the same classification. Job Sharing is splitting of one (1) full-time paramedic into two (2) parts totaling eighty (80) to eighty-four (84) hours per pay period, dependent on the position being shared. Any Paramedic being considered for a Job Sharing Agreement shall have satisfactorily completed their probationary period in accordance with the Collective Agreement.
2. Once a Full-time Paramedic has indicated their desire to job share in writing to the Duty Manager – Operations of the County of Brant Ambulance Service or designate, at least sixty (60) days prior to the requested start date, the secondary Paramedic component of the Job Sharing Agreement shall be determined subsequent to a posting, as per the Collective Agreement, by seniority.

3. It is understood and agreed that should a Full-time Paramedic apply for the secondary portion of the Job Sharing Agreement, their current full-time position shall be posted as a temporary full-time job. Should the Job Sharing Agreement be terminated for any reason, this Paramedic shall assume their previous role.
4. Any Part-time Paramedic that applies for the secondary part of a Job Sharing Agreement must provide the management a six (6) month schedule of availability that demonstrates a minimum of fifty percent (50%) of a Full-time Position (FTE), which equals a minimum of eighty (80) to eighty-four (84) hours in two (2) pay periods, dependent on the position being shared, to be considered available for job sharing responsibilities. If such position is posted and there are no qualified or interested applicants, the requesting Full-time Paramedic shall retain their current Full-time position in its entirety.
5. It is understood and agreed that no more than two (2) Job Sharing Agreements (FTE positions) will exist at any given time within the current complement of Full-time positions at the County of Brant EMS. Job Sharing Agreements will therefore be granted to requesting Paramedic with the highest seniority at the time of request. Once an agreement is approved and/or in place, there will be no termination of the agreement based on the later request of a more senior Full-time Paramedic wishing to enter a job sharing position.
6. The Job Sharing Agreement shall be a minimum for one (1) year and shall not exceed a maximum of two (2) years. If the Paramedic would like to Job Share for longer than two (2) years, the Paramedic will be required to re-submit a Job Share request. Such request will be considered by seniority.
7. A review of the Job Sharing Agreement shall be conducted yearly between each Paramedic involved, the Union, a member of the Leadership Team and a member of the Human Resources Division.

Terms and Conditions

1. Both Paramedics involved in the Job Sharing Agreement will prepare an agreed upon schedule of hours within that Full-time position in accordance with the current platoon/base schedule for the County of Brant Ambulance Services. Each participant will maintain fifty percent (50%) of an FTE, to be assessed as eighty (80) to eighty-four (84) hours in two (2) consecutive pay periods. The chosen schedule of hours within the Job Sharing Agreement is to be signed by both participating Paramedics and submitted to the Duty Manager – Operations of the County of Brant EMS a minimum of two (2) calendar months (four [4] pay periods) prior to the commencement of that schedule for approval.
2. The Paramedics in the Job Sharing Agreement shall not accrue overtime hours for any shift accepted unless they exceed eighty-four (84) hours in a pay period.

3. Each Job Sharing Paramedic shall agree to pay fifty percent (50%) of premium for fixed cost of dental, life and long term disability and Extended Health Care Benefits provided under the Collective Agreement. Premium payments required of Paramedics because of Job Sharing Agreements will be made by payroll deduction, and as such, written authorization from such Paramedics for the payroll deduction must be provided to the County of Brant Employee and Payroll Services as a condition precedent to their participation in the benefit program.
4. Each Job Sharing participant shall also accrue paid Vacation and Sick Leave as per the Collective Agreement on a pro-rated basis of fifty (50%) percent of a Full-time Paramedic.
5. Statutory Holidays that are not worked, each paramedic in the job share will receive a prorated portion of the stat holiday pay based on hours of work in the previous six (6) weeks.
6. Paramedics participating in a Job Sharing Agreement shall receive pro-rated uniform allotments on an annual basis of fifty (50%) percent of a Full-time Paramedic. They shall receive Safety Footwear allotments as detailed in the Collective Agreement.
7. Any Paramedic in a Job Sharing Agreement that was previously a Part-time Paramedic remains eligible to apply for any permanent Full-time position vacancies should they arise within the County of Brant Ambulance Services.
8. Both Paramedics in the Job Sharing Agreement shall retain their current seniority date throughout the Job Sharing Agreement as per the Collective Agreement.
9. Job sharing participants shall be eligible to be assigned ad hoc shifts that come available outside of their Job Sharing Agreement as per Article 14.09 in the Collective Agreement.
10. Job sharing participants are eligible to participate in shift changes as per Article 22.06 in the Collective Agreement.

Discontinuation of the Job Sharing Agreement

1. If one (1) job sharing participant wishes to leave the arrangement, after the minimum one (1) year period, written notification of this shall be submitted to the Duty Manager – Operations of the County of Brant Ambulance Service or designate a minimum of sixty (60) days prior to the requested termination date.
2. Either party may, providing extenuating circumstances, terminate any/all Job Sharing Agreements with sixty (60) days written notice for operational reasons, as defined in a satisfactory way, to the Union or Employer, on a case by case basis.

3. If the Paramedic requesting termination of the arrangement is the Secondary Paramedic, the Primary Paramedic has the option of returning to their former position in its entirety. The Primary Paramedic in said agreement may:
 - (a) Return to his/her former position in its entirety.
 - (b) If the offer of return to their Full-time position is declined and the continuance of a Job Sharing Agreement is requested for their FTE, the vacant secondary portion of the job sharing position shall be posted and filled as per this Letter of Understanding and the Collective Agreement.
 - (c) If the posting is not filled by a qualified or interested Paramedic, the current job share participant shall be returned to their Full-time position in its entirety.
4. If the Paramedic requesting termination of the arrangement is Primary Paramedic, both Job Sharers shall return to their original positions in their entirety.
5. A Paramedic who initiates the termination of the arrangement will not be permitted to apply for a new Job Share Agreement for the period of one (1) year.

**ONTARIO PUBLIC SERVICE EMPLOYEES UNION
On behalf of its Local 256
(hereinafter referred to as the "Union")**

For the purposes of staffing the Community Paramedic lines the following shall apply where funding and resources permit.

The Community Paramedic lines will be filled on a twelve (12)-month basis. A community paramedic who wishes to leave the program/FTE position prior to the twelve (12)-month cycle shall return to their picked road position should they have one. They shall remain eligible to continue in the community paramedic program should they wish in a non-FTE capacity.

- Community Paramedic lines shall be posted as a temporary 1.0 FTE positions and those who select one shall forfeit their base pick for those twelve (12) months. A maximum of eighty percent (80%) of FTE-funded positions shall be filled as temporary 1.0 positions.
- Where 1.0 FTEs are unable to be filled, they will be reposted as 0.75 FTEs; if they are still unable to be filled, they will be reposted as 0.5 FTEs.
- All vacated or new FTE community paramedic positions shall be open to existing community paramedics by seniority.
- Funding and scheduling may not always allow for the provisions of utilizing FTE roles. This would apply to but not be limited to current positions such as clinics, FIP, WISH etc. These programs are staffed utilizing an ad-hoc basis.
- Any FTE unable to be fulfilled or ad-hoc based programs will be filled utilizing community paramedics not assigned to an FTE and/or those in a current FTE who indicate they can work additional shifts in community paramedicine after the part-time CP's have been scheduled shifts.
- When an open shift exists due to an unexpected absence or sick call it will be offered first to Part Time staff who are Community Paramedic trained.
 - Then offered to all Community Paramedic trained staff working that same day via group text message (based upon the ability to fill the road shift).

The most senior to response in sixty (60) minutes shall get the CP shift. If no response in sixty (60) minutes then the next step shall apply.

- If no one accepts the shift and the decision is made to use a Community Paramedic who is working a 911 shift that move will be made in order of reverse seniority giving consideration to the community paramedic shift time.
- If it remains unfilled at this point the open shift will then be offered as overtime to all Community Paramedic trained staff.

The Community Paramedic lines will be posted sixty (60) days before base picks via email to all current community paramedics. A letter of intent shall be utilized to express interest in one of the positions. The community paramedic assignments shall be posted based upon designated shift start and stop times as determined by program needs. Each role as determined by program needs shall be included in the posting in alignment with the corresponding shift start and stop times. Community Paramedics may express interest in any or all shift times they are interested in. Assignments of successful applicants shall be determined in accordance with Article 3.01.

To be eligible to be trained in the Community Paramedic Program the employee must have a minimum of one thousand forty hours (1040) hours of service as an Ontario Paramedic.

A community paramedic fulfilling any FTE role shall not be permitted to be prescheduled into a greater number of designated holiday shifts than they would otherwise be entitled to in their original base pick line (if applicable) or their 1.0 FTE community paramedic line. The community paramedic would retain their rights to request additional designated holiday shifts per Article 16.05.

Designated holidays on the Community Paramedic schedule for a CP working in a 0.75 or 0.5 FTE may not align with their original base pick schedule. CP's will be assigned the same number of Designated holidays as their original schedule. This will be done reflecting the schedule posting language in Article 14.09.

Community Paramedics shall wear the community paramedic designated uniform while on shift as a community paramedic.

The employer agrees to initially provide:

- 2 (two) shirts (golf type) with reflective lettering for Community Paramedics in a Non-FTE role
- 4 (four) shirts (golf type) with reflective lettering for Community Paramedics in FTE role.
- 1 (one) shirt (golf type) without reflective lettering

- 1 (one) fleece jacket with reflective lettering
- 1 (one) three in one or another comparable jacket and
- 6 (six) community paramedic epaulettes. An option shall be made available for a military-type shirt in place of the golf-type shirt if requested.

Existing community paramedics shall be issued uniforms to be in compliance with the above quantities and types of uniforms should they not currently have them.

Subsequent community paramedic uniform allotments shall be issued on an as needed basis, Community Paramedic uniforms shall be designed by the employer.

Should the funding be removed part way through the calendar year, those who are in a Community Paramedic line would by seniority be able to bump out the least senior Community Paramedic or return to their Base Selection, or a vacant position if they did not select a base.

Should the funding become permanent the Employer shall meet the Union to discuss the permanent implementation of these lines as soon as possible.

The Employer will provide the Union with a job description, policies and procedures as well as a scope of practice for Community Paramedics.

This memorandum of understanding shall be a live document due to community paramedicine's complexities and ongoing developments. This document may be amended at any time by mutual written agreement of the parties. Failure to agree on changes will result in status quo.

The process outline herein for posting and filling community paramedic positions shall be effective upon the first base pick post ratification.

ESSENTIAL AMBULANCE SERVICES AGREEMENT

AGREEMENT MADE PURSUANT TO THE AMBULANCE SERVICES COLLECTIVE BARGAINING
ACT, 2001

BETWEEN:

THE CORPORATION OF THE COUNTY OF BRANT
(Hereinafter called the "Employer")

- and -

THE ONTARIO PUBLIC SERVICE EMPLOYEES UNION
and its Local 256
(Hereinafter called the "Union")

ESSENTIAL AMBULANCE SERVICES AGREEMENT

The parties to this Essential Ambulance Service Agreement (EASA) confirm that they share the following understanding with respect to dispute resolution as it pertains to land ambulance service collective bargaining:

1. The parties recognize that it is in the mutual interest of the parties to establish a mechanism that will allow for the resolution of collective bargaining disputes without the risk of interruptions of land ambulance services in the event of a collective bargaining impasse.
2. The parties recognize that land ambulance services are an essential emergency service and that this EASA is made in accordance with the ASCBA.
3. The parties agree that this ESA describes the number of paramedics represented by the Union which is minimally required to provide ambulance services at the Stations of the Employer in the case of a strike or lockout.
4. Paramedics required to perform services under this ESA are those persons employed by the Employer in the classifications of "Primary Care Paramedic" and "Advanced Care Paramedic" and who are represented by the Union.
5. In accordance with s. 15(2) of ASCBA the terms and conditions of the paramedics who perform services under this ESA shall be in accordance with those terms and conditions specified in the collective agreement between the parties. Where the terms and conditions of the Collective Agreement or any practice are inconsistent with this ESA (particularly, but in no way limited to, hours of work and scheduling) the provisions of this ESA shall govern.
6. Pursuant to Section 4 of the *Ambulance Services Collective Bargaining Act (ASCBA)*, all paramedics employed by the Employer and represented by the Union are essential workers and are required to work their regular shifts in accordance with the posted master schedule and perform their regular duties, including any overtime or "special event" shifts. As such, the parties recognize that, pursuant to Section 18 of *ASCBA*, the Union could not engage in a meaningful strike and the Employer could not engage in a meaningful lockout of employees.
7. Therefore, based on this mutual understanding, the Employer and the Union agree to the following terms:
 - (a) If a conciliation officer appointed under Section 18 of the *Labour Relations Act (1995)* is unable to effect a collective agreement within the time allowed under Section 20 of the Act, and the Minister subsequently notifies the parties under

Section 21 of the *Labour Relations Act (1995)* that he/she does not consider it advisable to appoint a conciliation board, the parties shall submit any issues remaining in dispute to final and binding arbitration in accordance with this EASA.

- (b) Within seven (7) days of the Minister's notification to the parties under Section 21 of *Labour Relations Act (1995)*, the Union or the Employer shall apply to the Ontario Labour Relations Board pursuant to Section 18 of ASCBA for a declaration and order for final and binding interest arbitration. The other party shall consent to this application. The parties will jointly request that the Board deal with the matter on an expedited basis and that the Board issue its order.
- (c) Upon the Board issuing its order pursuant to paragraph (b) above, the parties will mutually co-operate to select a sole arbitrator within twenty-one (21) days and to have the hearing before the arbitrator commence as quickly as the arbitrator is available. If the parties are unable to agree to a sole arbitrator, the Minister of Labour shall appoint the arbitrator.
- (d) In consideration of the foregoing and notwithstanding Section 79 of the *Labour Relations Act (1995)* the parties agree as follows:
 - The Union, on its own behalf and on behalf of the paramedic employees it represents agrees it will not authorize, support or condone in any way any strike (as defined in Section 1 of *Labour Relations Act (1995)*) or any withdrawal or limitation of land ambulance services and will make every effort to ensure that land ambulance employees do not engage in any withdrawal or limitation of their services.
 - The Union, on its own behalf and on behalf of the paramedic employees it represents agrees it will not authorize, support or condone in any way any job action including, but not limited to: the display of any buttons, stickers or other media on uniforms, vehicles, stations or any other property of the Employer, the alteration of uniform items or any change in the composition of the uniform required by the Employer. The union will however be able to communicate with paramedic employees via newsletter, Union bulletin board, web sites and other electronic media.
 - The Employer agrees that it will not lock out its paramedic employees.
 - Neither the Union nor the Employer shall alter any term or condition of employment under the Collective Agreement in effect at the time of notice is given by the Minister under Section 21 of the *Labour Relations Act (1995)* prior to the issuance of the award of the arbitrator except by mutual agreement in writing.

- (e) It is agreed that this Agreement constitutes an Essential Ambulance Services Agreement for the purposes of Section 3 of ASCBA and that it may be revoked or amended in accordance with the provisions of Section 8 (2) of ASCBA.
- (f) The parties agree that in any case of alleged breach of the provisions of this EASA, enforcement proceedings may be commenced before the Ontario Labour Relations Board in accordance with ASCBA and any relevant provisions of the *Labour Relations Act*.
